Dear Pukeko Swamp Parents

Term One is almost completed and so many wonderful things have been happening in the Pukeko classrooms so far this year. The children are happy and engaged in all the activities and new learning that has been happening (as I am sure you all heard during our parent/teacher goal setting days).

A massive thank you must be passed to the Pukeko team of Mrs Doland, Mrs McMurdo, Mrs Jennett, Mrs Stydom, Mrs Wells and Mrs Walker who have been busy all term to make sure these wonderful opportunities have been available for our pupils.

At this time we want to send a big thank you and a kind farewell to Mrs Walker who will be finishing up in Pukeko at the end of the term. Mrs Walker kindly agreed to teach during Term One whilst Mrs Hare was on maternity leave and we are very grateful for all the time and effort she has put in. Mrs Walker has kindly agreed to teach for one day of the week in Pukeko for Term Two to make sure that the transition for our little ones is a smooth one. So we will still see her on a Friday for Term Two.

We will warmly welcome back Mrs Hare in Term Two as she returns to Murrays Bay. We hope you have had a wonderful start to the year Mrs Hare with the latest addition to your family. The children in Pukeko are looking forward to your return.

Please feel free to contact me or one of the learning leaders in Pukeko (Mrs Doland and Mrs McMurdo), should you have any questions in regards to the goal setting sessions or transition of teachers in Term Two.

Kind regards,

Paul Hoffman
