

Year 5 Water Safety 2019

8 March 2019

Dear Parents / Caregivers,

As part of our Term 1 programme, all Year 5 students will take part in a Water Safety programme held at AUT Millennium on **Thursday 28 March**. This is in addition to our Waterwise sessions at Murrays Bay beach, taking place from 18-22 March 2019.

Students will travel by bus to AUT Millennium for either a morning or afternoon session. Focusing on skill development, fun and enjoyment. In addition, the lessons provide an opportunity for students to work together to complete tasks.

Students will need to bring their morning tea, lunch and swimming gear with them and wear their sports uniform. Please do not use the lunch order system on this day.

Children in Kereru LM and Kereru MW will attend the morning session. Departing at **9:00am** and returning to school at **12:20pm**.

Children in Kereru MM and Kereru KK will attend the afternoon session. Departing at **12:00pm** and returning to school at **2:45pm**.

Children in Kereru AO will be split between the morning and afternoon session as per the email sent home.

Although AUT Millennium run this programme and provide a number of instructors, we also require a number of parent helpers to accompany us for these sessions to assist with the running of the activities. We require parent helpers as well as trained Waterwise instructors for this support.

If you are able to help during your child's Water Safety session, either fill in the slip below and return to your child's home class teacher, or email Ali Orchard with your details by Wednesday 20 March.

Kind regards,

Ali Orchard
Year 5 Learning Leader

Year 5 Water Safety - Parent Help Return Slip

Child's Name: _____

Child's Home Class: _____

Parent Name: _____

I am available to be a parent helper on **Thursday, 28 March 2019**
