
01 December 2021

Dear Parents and Caregivers,

Due to the present uncertainty and movement to new restriction systems, the 2022 Year 5 camp has been postponed until Term 2. The new dates for this camp are **Wednesday 25 May to Friday 27 May, 2022 at Carey Park** in West Auckland.

We have been taking camps to Carey Park for 5 years now and we know the students are going to really enjoy their time. This is a 2-night catered camp and we will be traveling to and from Carey Park by bus. Students will be involved in activities such as kayaking, flying fox, indoor rock climbing and outdoor water sliding.

In these uncertain times, please note that the school will follow all advice and guidance from the Ministry of Education and Ministry of Health. Carey Park also operates according to all guidelines from the Ministry of Education and has the capability to host camps in either Green or Orange of the traffic light system with no limitations. All attending adults will be fully vaccinated, as per Ministry of Education regulations.

The cost for the camp is **\$300.00 per student**. Please get in contact with the school office if you require information on payment options.

You will receive a Google Form to complete early next year to provide health, dietary and permission details for your child to ensure that we have all necessary information prior to camp. An equipment list will also be provided early next year.

If you require any further information, please get in touch with me by email at: alisonorchard@murraysbay.school.nz

Kind regards,

Ali Orchard
Year 5 Learning Leader
