Dear Parents and Caregivers

We hope that you have had a good summer holiday with family and friends. We have been incredibly lucky with the beautiful weather which has helped us to enjoy this break.

Initially, plans for our return to school were under the Orange traffic light setting but, as you will be aware, the Government has moved the whole of the country to the Red traffic light setting. This means that we need to change these initial plans to suit the new health and safety guidelines and protocols in order to ensure a safe and smooth start to the school year.

As of this morning, we have not received updated guidelines from the Ministry of Education, apart from what was made public in December. We are expecting this information to come from the Ministries of Education and Health in the coming days. We will then use these details to formulate a plan for the school to open under the Red traffic light setting and share key information with you.

Please be assured that we will be adhering to all Ministry of Education and Ministry of Health health and safety measures.

At this point in time, school will be open for **all students** as planned, on **Thursday the 3rd of February**. We look forward to welcoming our students back for the 2022 school year. We will send a further letter later in the week with the plans as outlined above.

Hayden Iles
Principal
