Dear Parents and Caregivers of Pīwakawaka DS students,

As you will be aware, Debbie Strydom has been unwell this term. She is getting stronger but still needs to rest in order to make a full recovery.

We have employed Mrs Rhonda Van der Meij to team teach with Mrs Strydom until she is recovered. On some days the class will have Mrs Strydom for the full day, on others they will have Mrs Van der Meij for the whole day and on some days they will have one teacher for the morning and the other for the afternoon.

Having just two teachers working with the class will give them more stability. Mrs Van der Meij and Mrs Strydom will plan and work closely together to ensure that the learning programme goes ahead as normal.

If you have any questions or concerns please do not hesitate to contact me on principal@murraysbay.school.nz

Thank you for your understanding.

Hayden Iles
Principal
