

MURRAYS BAY PRIMARY SCHOOL

KIWISPORT STATEMENT FOR THE YEAR ENDED 31 DECEMBER 2022

Murrays Bay Primary School received \$10,210.78 in Kiwisport funding in the 2022 year.

During the year the school has programmes for a variety of sporting related initiatives. This year funding was used to provide and replace sporting equipment that had been used so much that it was literally falling apart. Teachers and pupils were massively grateful for the new equipment that enabled teaching and learning of our PE and Health Curriculum to be carried out.
